We Have a Home!

The SCC Board and Executive Director are excited to announce the signing of our lease at 1830 Broadway in Seattle's Capitol Hill neighborhood.

Now the fun begins! We are actively working with our architect and interior designer to create a welcoming and vibrant indoor and outdoor space for our members to connect and enjoy.

Summit Community Center's Comprehensive Campaign—Momentum

We are currently in active fundraising mode, having raised \$1.3 million to date and looking to raise another \$1.7 million before opening our doors in September 2022.

How can YOU help?

This is a community led and community supported venture. We are constantly being asked "How can I help?". We need your support and connections to make this happen! Even if you cannot financially support the SCC, do you know of someone who can? Do you have connections to a local foundation that supports causes like ours? Can you make an introduction? As a non-profit startup, we need the support from our community to drive our program and make it a success.

PARTNER SHOWCASE

We are excited to announce that the SCC has partnered with Seattle Theatre Group (STG) to bring their Broadway Inclusion Program to our Members starting Fall 2022.
